

Transport packaging

1. Declaration

We hereby declare that the packaging used for the delivery of semi-finished foam products and related materials has been designed and selected in accordance with the requirements of Regulation (EU) 2025/40 on Packaging and Packaging Waste (PPWR).

Based on the information and declarations of conformity provided by our suppliers, we confirm compliance with the following provisions of Regulation (EU) 2025/40:

- Requirements relating to substances of concern, including restrictions on heavy metals and PFAS (Article 5)
- Minimisation of packaging volume and weight while maintaining functionality and product protection (Article 10)
- Recyclability of packaging materials (Article 6)
- Promotion and use of reusable transport packaging systems (Article 11)
- Support of circular economy objectives and principles

Packaging Design Principles

The transport packaging used for the delivery of semi-finished foam products and related materials is designed in accordance with the following principles:

- To ensure adequate protection of products during transport, handling, and storage.
- To minimize the use of packaging materials while maintaining the required performance and safety characteristics.
- To facilitate material separation, recovery, and recycling at the end of the packaging life cycle.
- To support multiple reuse cycles where reusable transport packaging systems are employed.

The technical documentation supporting this declaration is maintained in accordance with Regulation (EU) 2025/40 (PPWR) and can be made available to competent authorities upon request. The associated records are retained for a minimum period of five years.

Transport packaging articles used for foam deliveries

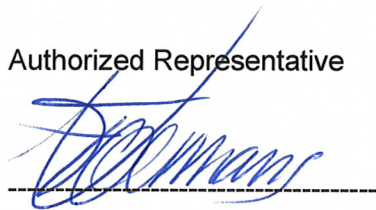

Packaging Category	Description	Material	Reusable	Recyclable	Material Code
Transport Packaging	Stretch film	MDPE	No	Yes	
Transport Packaging	Biplex Corrugated sheet	PP	No	Yes	
Transport Packaging	Pallets	PP	Yes	Yes	
Transport Packaging	Pallets	Wood	Yes	Yes	
Transport Packaging	Cores	Cardboard / PAP	No	Yes	
Transport Packaging	Heat-sealed PP strapping	PP	No	Yes	
Transport Packaging	Bag/Foil (one side open)	MDPE	Yes	Yes	
Transport Packaging	Edge protection angles	Cardboard / PAP	No	Yes	
Transport Packaging	Half tube EPS	Styrofoam EPS 150/25	No	Yes
